

# ANGELS SHARE

At the very epicentre of one of the world's most iconic and historic cities, Angels Share is a showcase and celebration of contemporary Scottish culture. Much as we love our history and heritage, we know that Edinburgh is so much more than Robbie Burns, tartan and heaps of haggis.

Here at Angels Share we are huge fans of the real Scotland, the one that is alive and kicking. It's why we have a huge range of Scottish whisky's and select locally brewed beers. Our cocktails all have a Scottish theme and our ultimate gins come from our favourite Scottish producers.

In this list there is something for everyone, so sit back and enjoy the Angels Share experience.
